HOLSTEIN HERE TO TALK POLITICS

Is Confident of Re-election in Spite of the Fights Against Him.

H. L. Holstein, Speaker of the House of Representatives, was in Honolulu for a few hours yesterday. He arrived from Kahala on the Mauna Loa at seven o'clock in the morning and left on the Mauna Kea at noon. During his short stay he filed a number of appointments to talk politics, which was the main object of his visit.

Holstein is being vigorously attacked in his own district, and his opponents say that he will not be elected to the next house at all. If he is elected, his choice for speaker again is practically conceded. Holstein says he is going to get the votes, all right. A report has been published here that Kahalo, the Cannon Ball of Kahala, was going to oppose Holstein this time, but Holstein has a letter from Kahalo in which the latter denies any such intention. Kahalo wants to be elected again himself, and is not looking for any unnecessary fights.

"My opponents have several times before predicted that I would not be elected," said Holstein, "but when the votes were counted I was always well in the lead. Julian Mousarrat, who is now the principal man predicting that I won't be elected, has done the same thing before. But he can't carry his own precinct against me."

TAFT HAS HIS WAY AS TO RAILROAD BILL

WASHINGTON, D. C., May 10.—The administration's railroad regulation measure passed the house today by a vote of 200 to 126.

All the Republican members and fourteen Democrats voted for the bill. The court of commerce provision is retained in the bill as passed. The proposed traffic agreement clause and a clause granting permission to railroads to purchase stock in non-competing railroads were expunged.

SCIENTISTS HURT IN A BALLOON ACCIDENT

GLASGOW, Kentucky, May 10.—Three men, an astronomer, and a U. S. Navy astronomer, who began a balloon flight in Illinois on Monday, were the victims of a landing somewhere near New York, were yesterday found near here, both unconscious. The wooden portions of their balloon were packed up near the bodies.

SAN FRANCISCO'S GREAT PANAMA SHOW PLANS

WASHINGTON, D. C., May 10.—Senator Bohlen of California has introduced a bill for resolution in the senate authorizing the President to proceed on invitation to all foreign exhibitions, and to the Panama-Pacific Exposition, to be held in San Francisco, California, in 1915.

When the President is invited to visit the exposition, he will be invited to visit the exposition.
